Transforming photo images from realism into impressionistic drawings (also index page teaser)
Combining photography and oil pastel, these handcrafted works of art are made to order.
Choose from a variety of photographs by the artist, or upload your own image.
Square format, multiple dimensions and finishes available.
Custom orders available

Each image is printed on archival paper and embellished with oil pastel, then cut to size and mounted with archival adhesive to a square panel, and finally finished with several layers of protective coating.

Testimonials:

"I ordered 4 for my new condo. I love that I was able to select the photos! Everyone who comes over comments on how nice they look in my kitchen." – Sean Thomas

"My daughter is getting married, and I ordered one for a wedding present. I took a photo of the park where she got engaged and uploaded it to the site. It looks just like an oil painting! I can't wait for her to open it, I know she'll treasure it!" -Theresa Griffin

"It was so easy to order, I just picked my favorite image and the size I wanted, and two weeks later it was hanging in my new office!" -Sarah Barnette
